

## INFORMATION ON DESIGNATED HOTELS FOR PASSENGERS ARRIVING IN RWANDA

- All travelers are required to complete 24 hours in a designated transit hotel while awaiting the results of the second test;
- The Government of Rwanda has negotiated special rates at the designated hotels for the waiting period. Should a guest wish to remain in the hotel after receiving negative test results, they are welcome to extend their stay at the applicable hotel's normal rates. Guests can also choose to book another hotel after receiving their negative test results;
- The negotiated hotel rate is on full board basis (inclusive of three meals) and airport pick up upon your arrival. If a guest takes less than the three meals, no refund will be provided;
- The meals are inclusive of water or a soft drink. Any extras will be paid for separately on order;
